STAND UP FOR SOLAR – Sign the pledge!

Solar is under threat, with the big power companies pushing our governments to make decisions that have set solar and renewables back more than a decade. We have a plan for a sun-powered future and we want to show our politicians that solar is supported by people all around Australia. *Will you Stand up for Solar?*

First Name	Surname	Email	Phone	Post Code	Are you a solar owner? (Y or N)	Are you a solar worker? (Y or N)	Do you want to volunteer? (Y or N)

For more information visit www.standupforsolar.org.au.
To make sure these new solar supporters can join the tens of thousands of others around Australia, please transcribe these details into an Excel spreadsheet and upload at www.standupforsolar.org.au/champion. THANK YOU!
