SAME SEX MARRIAGE IS ONLY ABOUT LOVE?

If there are already many legal cases and lawsuits caused by speaking against same sex marriage even BEFORE SAME SEX MARRIAGE IS LEGALISED, imagine what it will be like if it becomes the law of the land.

THE AUSTRALIAN

A new anti-discrimination complaint will test the limits of free speech and religious expression in Australia, with two preachers — a Presbyterian pastor and a street evangelist — accused of offending gays and atheists.

Hobart pastor Campbell Markham and street preacher
the complaint, which had been accepted by Tasmanian
Commissioner Sarah Bolt, was an attack on the rights
their beliefs.

Preachers in free speech test on atheists and gays
