OUTDOOR RECREATION

Unlike some protected public lands, the National Conservation Lands allow for a wide variety of activities, including:

- CAMPING
- HIKING
- BIKING
- FISHING
- HUNTING
- RAFTING
- ROCK CLIMBING
- DOGS ARE WELCOME!

ECONOMIC BENEFITS

The National Conservation Lands and protected public lands support local economic growth by attracting new businesses and boosting fast-growing economic sectors like tourism and our

$887 BILLION OUTDOOR RECREATION ECONOMY.

of the extraordinary significance these National Conservation Lands hold for our country. Our FRIENDS GRASSROOTS NETWORK in California includes:

25 FRIENDS GROUPS + DOZENS OF CONSERVATION PARTNERS
