# AFFORDABLE HOUSING

## To the Legislative Assembly of Ontario,

**WHEREAS** for families throughout much of Ontario, owning a home they can afford remains a dream, while renting is painfully expensive;
**WHEREAS** consecutive Conservative and Liberal governments have sat idle, while housing costs spiralled out of control, speculators made fortunes, and too many families had to put their hopes on hold;
**WHEREAS** every Ontarian should have access to safe, affordable housing. Whether a family wants to rent or own; live in a house, an apartment, a condominium or a co-op, they should have affordable options;
**Therefore we the undersigned petition the Legislative Assembly** to immediately prioritize the repair of Ontario's social housing stock, commit to building new affordable homes, crack down on housing speculators, and make rentals more affordable through rent controls and updated legislation.
