AMEND THE MARRIAGE ACT TO PERMIT HUMANIST MARRIAGES IN BC

To the Honourable the Legislative Assembly of the Province of British Columbia, in Legislature Assembled:

The petition of the undersigned, **BC Humanist Association**, of the Province of British Columbia, states that: Humanist marriages are recognized in Scotland, Ireland, the Province of Ontario and a number of US states but not British Columbia. In BC only representatives of recognized religious organizations or government appointed marriage commissioners may solemnize a marriage.

Your petitioners respectfully request that the Honourable House amend the *Marriage Act* to permit representatives of nonreligious belief systems, including Humanism, to solemnize marriages.
