Sebastian Bench For LY Communication Officer

Experience

- Through my positions of President and General Secretary of Nottingham Liberal Youth I represented the party at a Question Time style debate and a debate on the ECHR .
- I have spent three years on student radio supporting the party, articulating party policy, and debating members of rival parties .
- Joined other Liberal Youth members at the Solihull and Sheffield action weekends during the election to win votes for the party.

What I Aim to Do

- Use my skills and experience to effectively promote Liberal Youth in the media whenever necessary.
- Communicate the rest of the committee's great work to the membership, ensuring campaigns are promoted and successes publicised.
- Use Liberal Democrat Voice and a re-energised Libertine to communicate to wider audiences
- Launch a survey of Liberal Youth members to discover the ways they would prefer to receive Liberal Youth news.

Setting the Benchmark
