Americans for Immigrant Justice (AI Justice) is a non-profit law firm that provides free, direct
legal services to immigrants, refugees, and asylum-seekers, both detained and non-detained. I
would first like an estimate of the cost of producing these records, before any work is done that
will result in charges to me. If the cost will be $50 or less, the estimate is unnecessary; please
just send me the records with an invoice and I will send payment as soon as possible. If the cost
will be more than $50, please send me an invoice with a written description of the estimated
charges, and I will decide whether I want the records produced. If I approve the charges, I will
send payment as soon as possible.

In accordance with section 119.07(1)(c) of the Public Records Act, please determine if you or
anyone else in your agency have custody of these records. In accordance with section
119.07(1)(e) of the Public Records Act, if you claim that any record is exempt from public
disclosure, please state in writing both the statutory citation to any exemption which you claim is
applicable and the specific reasons for a conclusion that the requested record is exempt. In
accordance with section 119.07(1)(d) of the Public Records Act, if you claim that any portion of
any record is exempt, please redact that portion of the record that you believe is exempt, state in
writing both the statutory citation to any exemption you believe is applicable and the specific
reasons for a conclusion that the portion of the record is exempt, and produce the remainder of
the record.

If the documents are available electronically, I request that they be produced in electronic format,
such as via email or on a CD, to reduce costs. Please do not hesitate to contact me with any
questions or concerns at (305) 573-1106, extension 1380 or ljimenez@aijustice.org. Thank you
for your time and attention to this matter.

Sincerely,
