

## KICKSTARTER FUNDRAISING CAMPAIGN

**An Act of Love** is a documentary about **Rev. Frank Schaefer**, who was defrocked by the United Methodist Church for officiating his son's same-sex wedding. The film follows Rev. Schaefer's evolution from small-town Pennsylvania pastor to LGBT activist. The documentary also explores the history of the LGBT movement in the United Methodist Church.

The film is currently in production and needs **YOUR HELP** to tell this amazing story of love and inclusion.
