Robert Brewer for District Attorney  
330 Encinitas Blvd., #101  
Encinitas, CA 92024

January 13, 2014

Dear Mr. Brewer,

The Deputy City Attorneys Association enthusiastically supports your campaign to be the next District Attorney for San Diego County because we share your passion to end politics in the prosecutor's office. As prosecutors, we know that public perception and politics should never be deciding factors in filing criminal charges. Your dedication "to do the right thing" is something our organization believes in as well.

Because of your reputation for being a professional with the utmost integrity, we know that you will deliver on your promise to restore the public's trust in the District Attorneys' Office. We look forward to working with your campaign to be our next District Attorney.

Regards,

Mark Mercer, President

Mike Hudson, Vice President.
