The difference with Andy Dinniman is that he understands Chester County.

CHESTER COUNTY PAST

Andy Dinniman defended the open spaces, historic places, waterways and natural beauty that define Chester County. Dinniman's outstanding pro-environment voting record has earned him the endorsement of the Sierra Club.

CHESTER COUNTY PRESENT

Andy Dinniman worked to alleviate the property taxes that fund our schools. He wants to make natural gas drilling companies, which are making billions in profits off our natural resources, pay their fair share in order to restore cuts to basic and higher education.

CHESTER COUNTY FUTURE

Andy Dinniman brought funding to widen Route 202 to three lanes and to connect Route 29 to the turnpike and worked for the approved redesign and expansion of our local train stations. That infrastructure will help retain and expand local companies that are bringing new jobs.

"Harrisburg has problems. In Chester County, we have solutions. Together we can make a difference."
