Dinniman Delivers

Route 202
with three lanes.

Route 29 connected
to the PA Turnpike.

We waited years for
Harrisburg to do it.
But Andy Dinniman
did something about it.

**The difference with
Andy Dinniman is
that he cuts through
the gridlock and
delivers results.**

**“Harrisburg doesn’t
understand working
together. In Chester County,
we do. The consensus
I built allowed transit to
expand here so that those
roads and rails will feed
our economic growth.”**

State Senator Andy Dinniman (19th District)

Andy Dinniman worked for the approved redesign and expansion of our local train stations along with upgrades to Amtrak’s rail system that will allow trains to travel faster to Philadelphia, Harrisburg and New York City.

Andy Dinniman brought home state and federal funding to widen Route 202 to three lanes and to connect Route 29 to the PA Turnpike so that employees can connect to our expanding local companies. It is now time for PennDOT to act on Route 422. Improvements, Yes. Tolls, No.
