Rob Andrews' Opinion: Protect Medicare.

Rob Andrews is fighting against the **Ryan voucher plan** so seniors will never be stripped of their Medicare guarantee.

“No senior should have to worry that a trip to a doctor will have to be followed by a trip to the bankruptcy court. That’s why we need to protect Medicare.”

Congressman Rob Andrews (NJ-1)

Assisted in over **100,000** constituent matters
• college aid • veterans benefits • senior support

Rob Andrews, **protecting Medicare.**
