# Rob Andrews is leading the fight against outsourcing and for better schools.

“If you sell a product or service in America, then your call center should be in America. Every day more and more businesses are sending their call centers overseas. Let’s stop the trend of sending much-needed jobs to other countries and stand up to create jobs here in America.”\*

Assisted in over **100,000** constituent matters  
• college aid • veterans benefits • senior support

\* Amendment to H.R. 4310, National Defense Authorization Act for Fiscal Year 2013, offered by Congressman Rob Andrews (Wednesday, May 9, 2012)
