‘We chose to live  
in Southampton because  
of its open spaces and beautiful  
farmlands. We know

**Skip Heaney &  
Linda Kabot  
haven't done enough**

to protect them. It's a  
question of leadership,  
and we just  
don't trust theirs anymore. ’

# Jim HENRY

FOR SOUTHAMPTON **Town Supervisor**

Principled  
Independent  
Leadership,  
*for a change!*

**The Environment:**  
*Skip Heaney ignores it,  
Linda Kabout neglects it.  
I will defend it.*

The Problem: Open Space and Farmland will be Gone by 2015  
The Solution: Jim Henry's Leadership

Southampton only preserved 176 acres last year. At this rate, we will be 32 years too late to save our open spaces and farmland. Jim Henry will increase the land protected by the Community Preservation Fund (CPF) fivefold. That's leadership we can trust.
