ONTARIO COALITION FOR
Better Child Care

October 17, 2017

Dear MPP,

On behalf of the Ontario Coalition for Better Child Care we invite you to an **All Party Breakfast to be held Wednesday, October 25 from 7:15 to 8:45 in the Legislative Dining Room**. This Year's Theme is "We Create a Brighter Future", representing the essential role that people, who work in child care play in the lives of young learners.

Early learning and child care plays a vital role in the social infrastructure of our province. The value of high quality child care that is affordable and accessible is well documented. And yet, many families in our province still can't access quality, licensed child care for their families.

We are well positioned in this province to lead Canada in the development of a child care system that is affordable, pays decent wages to people working in the field and is of high quality.

We welcome you to this breakfast to engage in conversation about this important topic. Join researchers, educators, parents, and professionals to discuss how we can make a difference for families in our province.

For further information, please contact Laurel Rothman, Interim Public Policy and Government Relations Coordinator for the OCBCC at 416 538-0628 ext. 4 or by email at laurel@childcareontario.org

Yours sincerely,

Sheila Olan-MacLean, President, Ontario Coalition for Better Child Care
