

CDPH – Drinking Water Program Presents

Free Water System Drought and Consumer Confidence Report (CCR) Workshop

Are you prepared for the drought?
How prepared is your water system?

Do you know how to prepare a CCR?
Do you need assistance preparing a CCR?

Come to a training workshop and learn what measures that your water system can take in regards to the drought AND learn how to prepare a CCR! This four hour workshop will educate each attendee on the following topics:

- Learn how to prepare your water system for the drought
- Identify water conservation measures & contingency plans
- Learn about Drought Emergency Funding
- Learn about CDPH Funding Sources & the Universal Pre-Application
- Learn what you can do to help
- Discover what a CCR is
- Learn how to prepare a CCR
- And much more.....

Location: Tulare County Board of Supervisors Meeting Room

2800 W. Burrel, Visalia, CA 93291

Time: 1:00 to 5:15 pm

When: May 28, 2014 (Wednesday)

Please call CDPH – Visalia District, Maria Carlson at (559) 437-1582 to RSVP.
Those water systems who RSVP will receive a complimentary water quality monitoring data printout for the CCR.
