

# TANF Payments and Fair Market Rent

How far do Temporary Assistance for Needy Families (TANF) payments really go?

## Alabama

For every 100 families living in poverty in Alabama, about 16 received TANF payments in 2012.

TANF payments in Alabama will cover about 31% of a family's monthly rent.

TANF payments are not enough to help needy families pay the rent and other basic living expenses.

**\$215\***

\*If a family has any income, that amount will be deducted from their TANF payment.

**\$694**

That's one reason that 495 families with children were homeless in Alabama in January 2013.

## What can we do?

Increase TANF payments to protect families from homelessness

Use TANF to quickly re-connect homeless families to housing through emergency assistance

Support families with the greatest needs by removing barriers to TANF

Use TANF to create subsidized jobs and provide work supports for families living in poverty

Strengthen connections among welfare-to-work, job training, and homeless assistance programs
