

# TANF Payments and Fair Market Rent

How far do Temporary Assistance for Needy Families (TANF) payments really go?

## Alaska

For every 100 families living in poverty in Alaska, about 28 received TANF payments in 2012.

TANF payments in Alaska will cover about 83% of a family's monthly rent.

TANF payments are not enough to help needy families pay the rent and other basic living expenses.

**\$923\***

\*If a family has any income, that amount will be deducted from their TANF payment.

**\$1,111**

**That's one reason that 196 families with children were homeless in Alaska in January 2013.**

## What can we do?

**Increase TANF payments to protect families from homelessness**

**Use TANF to quickly re-connect homeless families to housing through emergency assistance**

**Support families with the greatest needs by removing barriers to TANF**

**Use TANF to create subsidized jobs and provide work supports for families living in poverty**

**Strengthen connections among welfare-to-work, job training, and homeless assistance programs**
