

TANF Payments and Fair Market Rent

How far do Temporary Assistance for Needy Families (TANF) payments really go?

Colorado

For every 100 families living in poverty in Colorado, about 17 received TANF payments in 2012.

TANF payments in Colorado will cover about 51% of a family's monthly rent.

TANF payments are not enough to help needy families pay the rent and other basic living expenses.

\$462*

Highest possible TANF payment for a single parent family of three

*If a family has any income, that amount will be deducted from their TANF payment.

\$897

Fair Market Rent for a 2-bedroom apartment in Colorado

That's one reason that 1,444 families with children were homeless in Colorado in January 2013.

What can we do?

Increase TANF payments to protect families from homelessness

Use TANF to quickly re-connect homeless families to housing through emergency assistance

Support families with the greatest needs by removing barriers to TANF

Use TANF to create subsidized jobs and provide work supports for families living in poverty

Strengthen connections among welfare-to-work, job training, and homeless assistance programs
