

TANF Payments and Fair Market Rent

How far do Temporary Assistance for Needy Families (TANF) payments really go?

Virginia

For every 100 families living in poverty in Virginia, about 27 received TANF payments in 2012.

TANF payments in Virginia will cover about 36% of a family's monthly rent.

*If a family has any income, that amount will be deducted from their TANF payment.

TANF payments are not enough to help needy families pay the rent and other basic living expenses.

That's one reason that 984 families with children were homeless in Virginia in January 2013.

Virginia is one of a handful of States where TANF payments differ by county. This graphic only shows one level. Find all levels here: http://funderstogether.org/virginia_tanf

What can we do?

Increase TANF payments to protect families from homelessness

Use TANF to quickly re-connect homeless families to housing through emergency assistance

Support families with the greatest needs by removing barriers to TANF

Use TANF to create subsidized jobs and provide work supports for families living in poverty

Strengthen connections among welfare-to-work, job training, and homeless assistance programs
