Site Visits

Gleaners is a founding member of Feeding America, the nation's largest charitable hunger-relief organization consisting of a network of more than 200 Member food banks and food-rescue organizations. As a member, Gleaners is required to visit our Agency Members every two years.

More than fulfilling a requirement, our goal is to make sure Gleaners provides excellent customer service to all of our Agency Members.

The site visit gives us an opportunity to build relationships by learning more about your program and address any concerns about the service Gleaners provides to you. In addition, we are able to give you guidance on proper food safety, storage, and maintaining good compliance.

On occasion, volunteers will help us by calling to schedule a site visit, and may accompany us on the visits. If you have any questions about the site visits please call your Agency Relations staff: Alma, Dave or Margarita at 313-923-3535.

We thank you for your hospitality.
