Efficiency 95% for Feeding Hungry Neighbors

MESSAGE FROM THE BOARD CHAIR

Thank you for your efforts to feed our hungry neighbors, especially during this last year of economic hardship for southeast Michigan. Working poor families were especially hard hit as breadwinners took pay cuts or lost their jobs. As a result, one in five Michigan children lived in poverty last year. Many folks turned to food pantries, soup kitchens, and warming shelters to feed their families. Yet, with your help, we've met the growing needs and challenges and kept our shelves stocked.

Collecting and distributing food is still at the core of our mission. You may not realize, however, that Gleaners plays a prominent role in addressing the systemic issues of hunger. Under the leadership of past president Augie Fernandes and new president DeWayne Wells, Gleaners is involved with a number of projects and collaborations pertaining to neighborhood revitalization, job training, empowering hungry neighbors, community gardening, and economic growth and development.

Through one of the most difficult years for everyone in southeast Michigan, Gleaners' work has intensified and the quality of our operations has excelled. Our financial position is solid. We continue to use our strategic plan as a framework

for growth and improvement in all areas of operations and fundraising. And, our board and volunteers are involved and compassionate in their work.

As the proud board chair of Gleaners, one of the most vital resources for struggling children, families and individuals, I thank all of you – partner agencies, volunteers and donors – for your support and engagement.

Pat Berwanger

PRESIDENT'S TABLE

In honor of the women and men who make significant contributions to feed our hungry neighbors, Gleaners hosts an annual **President's Table** dinner.

Individuals, corporations, and foundations at the President's Table support our critical work in several ways. Some give significantly of their time and expertise. Others, of their dollars. Still others, of their inventory. But no matter how they give, President's Table donors have one trait in common: a deep and heartfelt belief in Gleaners' mission.

Individuals and organizations that are part of the President's Table have made major contributions through Gleaners Community Food Bank to feed their hungry neighbors. They take the challenge of curing hunger seriously and have backed their convictions with concrete actions, such as donating large amounts of product, making major monetary gifts or bequests, or volunteering hundreds of hours of time.

This year, we've added our planned giving donors to the President's Table. These donors have made gifts to our endowment such as stock, cash, life insurance, land or other assets – or included Gleaners as a substantial part of their estates, trusts and wills. Our President's Table planned givers are "leaving a legacy" for Gleaners.

This year's President's Table Dinner was held on November 6, 2008, at our headquarters and distribution center in Detroit and was prepared and served by our partner, the Capuchin Soup Kitchen, using food similar to the foods we distribute to our partner agencies. Not surprisingly, it was delicious! For information on how to join the President's Table, please contact Gerry Brisson, **1-866-GLEANER, ext. 246** or gbrisson@gcfb.org.

No matter how they give, President's Table donors have one trait in common: a deep and heartfelt belief in Gleaners' mission.
