We join the Psalmist and say “You crown the year with Your goodness, and
Your path drips with abundance.” Psalms.65 : 11

Year by year we are experiencing the blessings of God in abundance and with
heart full of gratitude I present my Annual Report for the year 2013 -2014.

At the outset, I wish to acknowledge that it was ONLY TEAM WORK at the Home
and the School during the year under review that today we are able to look back and
review our performance and progress with great satisfaction.

The Institution is being led very ably by Mr. Y. Kirubahara Daniel, the Deputy
Director, King's Matriculation Higher Secondary School by Ms. Vatsala, the Principal
and the Home by Ms. Ratna Chandran, the Superintendent of Homes.

We are glad to report that we were able to meet all our commitments and stay
focused on the vision and mission of our founder Dr. Pauline E. King.

As always, I would like to begin my report by placing on record our heartfelt
gratitude to all our sponsors well-wishers and donors for their continued counsel,
generous support and prayers which have enabled us to continue our vision
successfully and mission effectively. We continue to exist and serve only because of
our generous well-wishers.

I would like to personally thank our Principal sponsors the Global Ministries,
USA, led by Ms. Linda Lawrence and we welcome Rev. Deenabandhu Manchala, the
new Southern Asia Area Executive of Global Ministries, USA. We wish him all the very
best as he takes charge. We look forward to working with him and pray that the Lord’s
abundant blessings and guidance be with him throughout the years to come as he
shoulders the great responsibility of working with the children’s ministries.

We also would like to place on record our other major sponsors the Come Noi,
Italy, led by Mr. Franco Sibille, Ms. Anna Hunter and her family from the Belgravia
Gallery, UK, the Astor family, UK, Rev. Phil Collins, St. John’s Church, Alresford, UK
and to our many friends from the CMC and Vellore community for their generous
support in cash and kind gestures. It is only because of their continued love, support
and involvement in our ministry that has sustained us so long.
We would like to place on record our sincere gratitude and appreciation for the services of our former Vice Chairman Dr. R. Selvakumar, the former General Superintendent of CMC Hospital. We thank him for being available to us at all times as well as for his counsel and support. We also take the opportunity to welcome our New Vice Chairman Mr. Ebenezer Sundararaj. We look forward to working with him in the coming years.

**01. HOME**

We are glad to report that we are making continuous efforts in improving the quality of life of our children, house mothers and grandparents. The house mothers and grandparents are in good health even though many are aging and are becoming feeble. We remain grateful to them for their help and hard work in bringing up the children. The regular meetings at the home have helped in building team work and clear division of work and responsibilities. We have 4 tutors to help the children with their studies and with the hard work of the Wardens, Tutors and House mothers, all the six children from the Home who wrote 12th Standard State Board Examination, got through successfully.

We were blessed by many donors and well-wishers of the home who gave special meals to the children on special occasions or celebrations in their homes. We wish to place on record our gratitude to them.

**01.01: Integrated Home**

It gives me great pleasure to report that our Home was recognized as an “INTEGRATED COMPLEX OF SPECIAL HOMES FOR SENIOR CITIZENS AND DESTITUTE CHILDREN” in the year 2012 and has continued to receive support from the government of Tamil Nadu through the Director of State Social Welfare board, Chennai. We are working hard to keep this recognition going by keeping perfect accounts and maintaining the required documentation for this project. As a result, this year too we have received the support from the State Social Welfare Board.

**01.02: Home Administrative Committee**

We constituted a Home Administrative Committee which meets regularly once in fortnight. I am happy to report that the changes that we made have resulted in better supervision and some positive changes at the home. After some real good effort, I can now say that there has been a good improvement in the cleanliness of the home and overall quality of life and education of our home children.
01.03: New additions

During the year, we have admitted 12 children, 2 mothers and 4 grandparents into our home. The house mothers and grandparents play a vital role in the life of the home. We appreciate their hard work and love shown to the children. Miss. Shylaja, has joined as the resident Nurse.

As our experiment with having a hostel for the outside children studying in King's Matriculation Higher Secondary School was running into difficulties of space and other social issues, we took a rather difficult decision to close down the hostel from the start of this academic year.

GRAND TOTAL - 220

01.05: Discharges

Three girls, P. Aiswarya, K. Kalaiarasi, R. Neelavathy and one boy, J. Raghu Raman who have completed their professional and technical courses were discharged from the home. Gokula Krishnan and Rubini. Y left the institution to join their
family members. We continue to pray for them that God's abundant blessings be with them.

01. P. Aiswarya - who has completed her training in Secretarial Course at Coimbatore, has secured a job at Restless Development, Gandhi Nagar and we are receiving a good report on her progress.

02. R. Neelavathy – who has completed her training in Auxiliary Nurse Midwife course at Ambilikkai has secured a job at Christian Medical College Hospital, Vellore.

03. K. Kalaiarasi - who has completed her training in Auxiliary Nurse Midwife course at Ambilikkai has secured a job at Apollo Hospital, Chennai.

04. J. Raghu Raman – who has completed his bachelor’s degree in Commerce, has secured a job in accounts department of Sri Krishna College of Engineering, Annaicut.

We thank all the sponsors who have supported these children from their childhood and we thank the donors who have contributed to the “Higher Education Fund”.

01.06: Education

We are very happy to inform you that six of our +2 children have succeeded in their Higher Secondary Examinations and have joined professional courses in various institutions. Out of 2 children who appeared for the 10th standard Matriculation examinations, 1 boy has passed and continues his studies at King’s Matriculation Higher Secondary School. We thank the Principal, Teachers, Wardens and Tutors who have put in their best efforts in teaching and coaching our home children during study hours.

01.07: Summary of children following professional / vocational / technical courses

When our children reach the age of 18, they cease to receive sponsorship money but we continue to support their higher education which includes professional / vocational / technical courses. We are in a difficult situation here as these courses are very expensive and these children get no support from their sponsors. For this reason, we have created a scholarship fund for Higher education to help us meet the expenses. We thank all the donors and sponsors in extending their helping hands to meet our higher educational expenses. We earnestly seek your prayers and support in building up this fund.

We give below the list of our children who are under going higher education in professional / vocational / technical courses at various institutions

Congratulations: We are very proud to say that Gabriel Karthick who was brought up at the Home from his childhood has completed his Degree in Arts from Voorhees College, Vellore successfully. He was awarded with the Best Actor, the Best Christian Outgoing Student and for the Best Proficiency in English Literature. We wish him all the best in his future career.

01.08: Summer Vacation

At the end of the academic year and during summer holidays, our children who have parents, relatives or family members are sent to their homes for 7 days as part of the summer program. This program is an integral part of our program as it makes our children keep in touch with their immediate family. This visit also helps them to know the difference and the value of what we are doing for them at MBKG Pannai. Children who are studying and staying in outside hostels come to Pannai during the summer holidays.

01.09: Children's Annual Camp

This year the Annual Camp was held at Trans World Radio – India, a retreat center close to the sea shore at Paramanenki Kuppam, Chennai between 12th & 17th May 2014. The theme for the year was “Growing in your relationship with Jesus Christ”. A team of youth from Vellore called “Desperate for Him” led the camp. Enthusiastic young men and women taught the children how to grow closer to God with Bible stories, songs, skits, dances and games. The main objective of taking the children for this tour is just for them to have a change and renew themselves. The children enjoyed themselves and were physically and spiritually renewed. There were group games, debates and practical talks on varied topics. They were relaxed, refreshed from the cool of the weather and their minds renewed with the Word of God. Each day children were lead to a time of meditation on the theme with examples from the Bible. The Annual Camp ended with camp fire. The Children also visited Mahabalipuram an ancient historic place. On the whole, this camp was an enjoyable and successful one.

01.10: Christmas

The residents of the Home celebrated the birth of Jesus Christ with great fun and joy. All our children undergoing professional courses at various training institutions joined the MBKG Pannai family and celebrated Christmas with us. It was truly a festive evening and most of our Board members with their families were present. Mr. D. Alfred Arun Kumar, Director, Agriculture Institute, Kasam shared the Christmas message. Children displayed their talents to glorify God in singing, dancing and skit. The
programme was followed by a fellowship dinner sponsored by Dr. D. Jasper Daniel, our former Vice Chairman, Captain Mukund Desai, our sponsor and Ice-cream by Mr. John Ramsbottom and Ms. Marie White, UK. Home children’s carol visited the local sponsors, donors, well-wishers and our board members.

We would like to thank the Director, General Superintendent and the staff of Christian Medical College Hospital for their generous gift of Christmas dresses to all the inmates of our MBKG Pannai for the past few years. Also, the group shared the joy of the season by distributing cakes to all.

A “Thanksgiving” service was conducted on 31st December 2013 to praise and thank the Lord for all the blessings we received throughout the year.

01.11: VBS

Every year the Vacation Bible School is an important summer holiday activity for the children. The theme for this year’s VBS was “YOU ARE SPECIAL”. A team of 5 leaders from Scripture Union, Chennai led the program. In addition to our Home children, a 150 more day students of King’s Matriculation Higher Secondary School from surrounding villages have also attended VBS this year. The final day was grand with children displaying their activity sheets, dance, skit and recitation of memory verses. Prizes were given for regular attendance and winners of various competitions. We remain grateful to the Pastor and members of the pastorate committee, St John's Church for their continued financial help and support for the VBS programme over the past several years. With the funding from St. John’s Church, we were able to provide a midday meal and transportation for the children from the villages who attended the Program.

01.12: BIBLE CLASSES

Weekly Bible classes are held on Tuesdays, Fridays and every second Saturday. During these classes, stories from the Bible, new songs and dances are taught by different groups of Missionaries at Vellore. Our local pastor Rev. B. Ravi Chandran from the CSI Vellore Diocese has been conducting Sunday Morning service and a Communion Service during the first week of every month. In the evening, children are made to attend Sunday school conducted by wardens, teachers, house mothers and tutors.

Sunday School Rally was conducted in the month of February. Dr. Ebenezer Jegadish of CMC Hospital was our chief guest and delivered the message. We thank
Mrs. Anna Revathy Jegadish, our Sr. vice Principal for translating his message to Tamil. The prizes were distributed to the winners for the year.

**01.13: Alumni get together**

Dr. Pauline E. King’s death anniversary on January 20 is commemorated as alumni reunion day. This year, January 19, the 14th death anniversary of Dr. Miss. Pauline E. King was remembered. With great zeal the children of past…now proud men and women settled in life with families joined together to pay homage to their “Mummy”. With grateful hearts, they shared their testimony with present children, encouraging them to make use of every opportunity that is provided to have a good future. The meeting was followed by a fellowship lunch arranged by the management and later in the afternoon a sports meet was held at the premises. The present and past children irrespective of their ages participated in the competition and prizes were distributed to the winners. We are proud to say that seventeen of our children are sponsored through the alumni.

**01.14: International (Mudhiyor's) Elder's Day**

International Day of the elderly was celebrated to honour and respect the elderly people on 1st October 2013. A programme was organized at the District Collectorate to honour the senior citizens. 18 of our grandparents took part in the events conducted and won many prizes. Our grandparents entertained the audience with a group dance. A meal was sponsored for all the participants by our home as requested by the District Social Welfare Officer.

On October 14, 2013 we arranged an outing for our grandparents to a nearby hill church called Zion Hill. Miss. Padmini of Shiloh Ministries led the group in worship and prayer. All the grandparents participated in games, singing and quiz programme actively.

**01.15: Health and Nutrition**

The Children, Mothers and grandparents continue to be in good health. Routine medical check-up for the grandparents are done at S.I. H – R & L.C, Hospital, Karigiri. We follow a scheduled food menu planned with the help of experts from CMC hospital which includes vegetables, greens, pulses, milk, eggs, meat, fruits and grains. Most of our grandparents and house mothers suffer from diabetes and high blood pressure and they are given regular medication as prescribed by the doctors. A multivitamin tablet
every day and a fruit three times a week funded by the Astor family are given to the children, housemothers and grandparents. A nutrient supplement is served to the nursery children every day. Medical care is being given to all the inmates by a resident Nurse for small ailments and for major sickness; we refer them to S.I. H – R & L.C, Karigiri and CMC Hospital, Vellore. Children who are identified for follow up treatment are being sent to the hospitals regularly. We extend our heartfelt thanks to all administrators, doctors and staff members of CMC Hospital and SIH – R & L.C, Hospital for giving medical attention and also for taking utmost care of our home children.

01.16: Counseling and training

Children’s character building is a major area of our focus. We conduct many spiritual programs, retreats and counseling classes. Our special thanks to Rev. Walter Sunder Singh of Fishing for Christ Ministries for conducting counseling classes for our house mothers and grandparents every Monday. We also thank Ms. Padmini of Shiloh Ministries for conducting bible study and counseling classes for our house mothers and grandparents. We have found positive improvements in the attendees.

01.17: Weekly Inspection

Our weekly inspections made tremendous changes in all over cleanliness of the campus. One of the senior staff like Deputy Director, Principal, Superintendent of Home and P.R.O have been asked to inspect all the areas once in a week to see whether the cottage, rooms and boys' hostel are kept clean and to ensure that all the children are in good health. Importance was given to make sure that all the Bathrooms are kept clean and tidy it was a good start and we see the tremendous changes in all the areas.

01.18: M A D - Make A Difference

Enthusiastic engineering students from Vellore Institute of Technology University who are volunteers of MAD visit MBKG Pannai in the weekends to help our children. A three day Dream camp 2 - conducted by the MAD group at VIT was a wonderful experience for our children. During this 3 day camp, 70 of our children were able to experience nation’s best sessions like International Cultural Village which gave children an idea of four different countries (China, Egypt, India, Italy) including their culture and cuisine organized by passionate volunteers. There was much to learn, so much to understand - it was really a good exposure for all the home children who participated in the camp. We thank the VIT students for their generous contribution to various programmes of the home. This year MAD VIT group donated a water purifier with cooler for the Nursery children. Our heartfelt thanks to all the members of the MAD group VIT for this wonderful gift to our little ones.
02. REPORT ON SPONSORSHIP PROGRAMME

Anita Grace Paul continues as the Sponsorship Coordinator and has carried out her responsibilities very well and her work has been appreciated by all our sponsors.

“It’s more blessed to give than to receive” is the experience of the good willed people in the sponsorship programme. We see satisfying sponsors continuing their support in spite of hard times in economy in many nations around the world…. because they witness lives being transformed and many of their sponsored children achieving self-reliance and are moving toward a brighter future.

Regular update of the children and the happenings at the Home is the key to the success of the programme.

When sponsors express their desire to support a child, a welcome pack with a brief history of the organization, background information about the child (what we call a case history), a recent full size photograph and a hand written letter or a coloring page of the child is sent to them. The regular updates of the children are sent to the sponsor with the quarterly newsletter. In addition to this, an e-mail contact list of the sponsors is being made to make the correspondence quick and cost effective. During special occasions and festive times, sponsors who have email Ids are sent video clipping of the children singing or reciting a rhyme which makes them very happy.

Besides children, in recent times we have increasing number of destitute women (House Mothers) and grandparents taking refuge at the Home, for whom we did not get any support so far. From 2012 onwards, we have been encouraging our sponsoring bodies to consider the support of this elderly community. Our sponsors have always been very supportive to the programme and have come forward to sponsor house mothers and grandparents.

In recent times, there has been an increase in number of sponsors and donors visiting MBKG Pannai because they could get firsthand information on how their funds are being utilized. Many satisfied sponsors recommend their friends and families to visit the place. Among the many who visited us in the last year, its noteworthy to mention some of our longtime friends whose support is consistent and significant over the years. Our most sincere thanks to Mrs. Eve Kirby, Mr. Clive Smith, Mr. Sam Brearley and Mr. John Hurman of the United Kingdom, Rev. Clairnel Nervik, Mr. & Mrs. Marshall Hoyler of Global Ministries, United States, Pst. Patrick Fitzgerald, Ireland and Mr. K. John George from Bahrain.
03. THE BAKERY

The bakery unit was started initially as a training programme for the boys who dropped out of school. Now that the delinquent rate has plunged, the unit continues to run solely to meet the needs of the home and few regular consumers. 20% of the bakery products are consumed by the Home. Now days, it is very difficult to maintain this unit due to unavailability of laborers and increased cost of raw materials.

The unit continues to run at a modest profit. I am concerned about the long term viability of the bakery and often wonder if it is a worthwhile project to be continued by us in the long term. For the amount of profit we make on the operations, the effort, the tensions and the administrative problems that crop up, I wonder if it is worth to continue with running the bakery. It is not an area of our core competency and it takes a lot of effort to manage which in my opinion could be better used in our critical areas of responsibility.

04. REPORT ON NEW CONSTRUCTIONS

The year 2013 – 2014 has seen many developments both at the MBKG Pannai Home and King’s School in construction of buildings. By God’s grace and providence, we were able to construct new buildings and renovate the old ones.

04.01: New wing at the Senior School

We completed the new wing on the main campus of King’s Matriculation Higher Secondary School and moved the first three grades of junior school to the new building while the lower and upper kindergarten classes are still running at orphanage premises. In addition to the requirement of the department of Education of the Government of Tamil Nadu to have all standards in one campus for the renewal of school license, the benefits of having the new building on the same site as our secondary and higher secondary schools are numerous. Administration, leadership and oversight will be much easier and help to further the school's reputation and standing. The new wing is a two storied building with six class rooms on each floor. The roof was covered with coloured galvanized steel sheets for the roof and iron grills on the sides.

04.02: Lunch Shed at the Senior School

The lunch shed at the school campus is used by the children to eat which was open on sides and without a gate that allowed stray dogs and monkeys to enter and disturb the children. So, the shed was covered on the sides with iron grill and a gate in the front. Also, the floor was tiled in order to maintain the place neat and tidy.
04.03: Renovation of Junior School Building

Junior school building located at the MBKG Pannai Home campus was the first building constructed for the school 35 years ago. The roof was wearing out and there was an urgent need to replace the roof considering the safety reasons. The damaged concrete roof 100 feet in length was removed and replaced with sheets raising the ceiling height by 4 feet.

04.04: Compound Wall at the MBKG Pannai Home

Compound wall with 3000 running feet was built around the main campus of the orphanage keeping in mind the safety of children and to avoid trespassers. The 6 feet high wall from the ground was raised with hollow bricks and reinforced with iron grills in the front and sides and barbed wire at the back. Now that we have a fortified the place, we are planting more trees for landscaping purposes as well as contribute to the environment.

04.05: Ramp for Grandparents in the Cottages

Ramps were built with side rails in the entrance of each cottage to make it easy for the grandparents who walk with a stick and who find it difficult to climb stairs.

04.06: Grandparent Recreation Room

This room was renovated in order to meet the increasing need for accommodating grandparents. The tiled roof was changed to corrugated galvanized steel sheets and two new toilets were built.

04.07: Overhead Water Tank

An overhead water tank with 25,000 liter capacity is being built near the retreat center (rocky area). The main purpose of building the tank is to supply water to staff quarters, guest rooms, retreats and camps.

04.08: Rocky Area

This area is located adjacent to the Tailoring unit and being transformed to an outdoor retreat center. The Rocky area has been cleared of thistles and bushes and covered sitting areas with good lighting have been built for the purpose of having group prayers and discussion during workshops, retreats and camps that are being held here.
05. THE KING’S SCHOOL

The school this year completes 36 years of its existence and it continues constantly to improve the quality of learning and teaching in its quest to become a school of excellence. The school caters to the children of the MBKG Pannai Home and to the staff children of Christian Medical College Hospital. We remain grateful to our Correspondent for her active involvement in the affairs of the school. King’s Matriculation Higher Secondary School is very efficiently led by Mrs. Vatsala and her dedicated team of a Senior Vice Principal Mrs. Anna Revathi and three Vice Principals Mr. Kumar Munuswamy (extracurricular), Mr. K. S. Kaelasanathan (student welfare) and Ms. Beula Nirmaline (academics).

Reviewing the completed year we find ourselves looking back on what has been an enjoyable, eventful and successful one for everyone here at King's.

05.01: Current Strength

The school is proud to announce that the current enrollment stands at 805 students. This year, the bus service has been extended to Kaspa in order to cater to the needs of the CMC staff children from this area.

05.02: Academic Excellence

The year has been rich with student successes in academics. We achieved a 96% pass-rate in the Tenth Board Examination. Bharath. M obtained 461 / 500. Two of our tenth standard students achieved 100% in Science.

Having been upgraded to the status of Higher Secondary School, our second batch of twelfth standard students has done very well securing a 100% pass-rate. Pushpalatha has secured 1062/1200.

This year the school has got permission to have the Practical Examination center for XII Std.

The results of the last year has been a very keen motivating factor and we are taking all the necessary steps to ensure that we maintain the same good results in the coming years too with particular focus on improving the marks of the children.
05.03: Administrative Committee

The school Administrative Committee meets once every two weeks possible. This periodic meeting between the Principal and her senior team with the Secretary and Correspondent has greatly contributed to the improved functioning of the school and has made the administration of the school open and transparent. The meeting focuses on the steps to be taken to make the school a center of excellence.

05.04: Teaching Faculty

This year we have been fortunate to take on several new members of staff, Mr. Sivanandamoorthy, Mrs. Pleetha, Ms. Sharon, Ms. Joyce Sunitha, and Ms. Esther. We are very fortunate to have got Ms. Muriel Ruth Holla, join us as the junior school coordinator. All have been fully absorbed into the community here and now very valued members of the team at King’s.

New Senior Vice Principal

This year, Mrs. Anna Revathy Jegadish has been appointed as the senior vice Principal of the school and she has been a great support to the Principal. Mrs. Anna is being groomed to take over as the Principal from Mrs. Vatsala in due course of time.

05.05: Computer and Interactive Classes

Keeping abreast of current requirements, Computer Science is integrated into the curriculum of the school, with a fully trained Computer Science Faculty providing hands-on-training in all aspects of the subject. We have an excellent computer class room providing one computer for every child during weekly practical classes.

05.06: Contribution of SEB Team

Every Monday and Friday, volunteers from SEB project join with our faculty. They bring new teaching techniques and activities to help our children evolve creatively which broadens the child’s mind.

05.07: King’s Music Band

This year a school band was formed comprising mostly of 9th grade boys from the home. A music master teaches the boys Instruments like Drums and trumpets. The Music Band will perform at the morning assembly and special occasions such as Annual day and sports day.
**05.08: Inspire Award**

One of our present Tenth Standard girls Keerthana. B, has been awarded the Innovation in Science Pursuit for Inspired Research for the year 2014 conducted by the government of Tamil Nadu. The school was awarded with prize money of Rs. 5000/- Keerthana. B represented the school at the Science exhibition held at Holy Cross, Sathuvachari.

**05.09: Inter School Competitions**

We are happy to inform you that our students have won the first prize in creative music in the inter school competitions conducted by Vedavalli Higher Secondary School, Ranipet.

**05.10: Fun With Math Programme**

In the competition Fun with Math conducted by The Institute of Scientific Research & Training, Ernakulum, Shiva Shankar. K of Standard IX has won a trophy for the good performance and being a top scorer.

**05.11: Radio Programme at VITU**

Our students were privileged to participate in a special programme conducted by the VIT Community Radio station on 12th August. Their speeches on Freedom Fighters and a group song were broadcast on Independence Day.

**05.12: Sporting Achievement**

We are proud to inform you that our Junior and Senior Teams have achieved the first place in Ball Badminton and Kabbadi at the Zonal sports held at VITU. In the individual sporting events our students won at various levels.

**05.13: World Environment Day**

The students were made aware of environmental issues the world is facing. The 2014 theme for World Environment Day was focused on “Small Islands and Climate Change”; the official slogan for the year 2014 is “Raise Your Voice Not the Sea Level”. There was an awareness speech at the morning assembly and children were encouraged to contribute towards making their environment and the world a better place.

**05.14: Association**

The nucleus of our school, being the Parent Teacher Association has been given adequate importance. We conduct periodical Parent-Teacher Meetings every term. We feel it is very important that parents are kept up-to-date with their child's progress in school and the PTA consultations are an effective way to 'take learning home'.

**06. Wedding Bells**

**06.01: Usha wedded Christopher on June 8, 2014**

Usha was brought up at the MBKG Pannai home since the age of five months. She has completed her Diploma in nursing course at Christian Medical College & Hospital, Vellore. She went to UK and served there for more than 2 years. Now she is working at Apollo Hospital, Chennai. Mr. Christopher is an Automobile Engineer. We wish them a happy married life.

**06.02: Karunakaran wedded Kalaiselvi on July 14, 2014**

Karunakaran & Kalaiselvi both were brought up by MBKG Pannai home from their childhood. Karunakaran has finished his Diploma training at Coimbatore and he is working as a Jr. Engineer in a firm. Ms. Kalaiselvi has successfully completed her Masters in Physical Education at YMCA College of Physical Education, Chennai. Now both are working at Coimbatore. We thank them for remembering our Home children and for sponsoring a dinner for all the inmates and staff on their wedding day. We wish them a very happy and blessed married life.

**07. Obituary**

We are sad to report the passing away two of our MBKG Pannai family members during the year 2014 after a brief illness. Mrs. Gnanabackiam, a 70 years old grandparent passed away on May 18 2014 and Ms. Nandhini, a 16 years old girl who was studying in Pathway a Centre for Rehabilitation & Education of Mentally Retarded at Chennai passed away on 21st May 2014. May their souls rest in Peace.
GRATITUDE AND ACKNOWLEDGEMENTS

To our respected Chairman Rt. Rev. Dr. A. Rajavelu, Bishop CSI Vellore Diocese for his guidance and prayers. We assure him of our continued support and to pray for his ministry at the Vellore Diocese.

We extend our sincere thanks Rev. M. Rajendran and the Pastorate committee of St. John's Church for their support at all times.

We are grateful to Mrs. Emma Koshi, Director, SEB Project, for continuing to provide her staff twice a week, who share with student's new teaching techniques and activities to help learn more creatively.

The Astor Family has been such a blessing to the MBKG Pannai. They have started a fund called the Astor family fund and out of these funds, they sponsor a few children, the cost of fruits after dinner three times a week, the cost of a multivitamin tablet, a nutrient supplement for the children at the Nursery, and the cost of Tutors at the cottages.

We thank the Anna Hunter Family for being the sponsor of several children and the donor of the Science block and the Sebastian Computer laboratory at King's school. We also thank and praise God for Anna and the Belgravia for their continued interest and support for the higher education program of home children that have passed their higher secondary school education.

We owe our heartfelt thanks to the Brearleys for their continued support to this institution. At this juncture, we would like to thank all the visitors and volunteers who have contributed their best to us.

We thank the Director, General Superintendent, the Faculty, Students, the General Services Board of CMC Hospital at Vellore for their generosity and support to us at all times. We wish to place on record our gratitude to the General Services Board for their generous gifts every year during Christmas to all our children and residents at MBKG Pannai.

We thank Dr. Kurien George, Dr. Jasmin Prasad and the medical team from CHAD Hospital, Bagayam for holding a free medical camp for the children, mothers and the elderly on March 29 at our premises.
We would like express our gratitude to the Chairperson and the entire team of Vellore Ladies Circle for the donation of sewing machines for our girls and scholarship for higher studies.

We would like express our gratitude to the District Social Welfare Officer, Vellore for their continuous support and guidance.

We thank Pastor Patrick Fitzgerald and the team from Apostolic Church, Dublin, Ireland for visiting us and donating 48 ceiling fans for the children’s living area. We also thank the Manager & Staff of Deutsche Bank for conducting an awareness programme of Savings with the Bank and distributing prizes to our children.

Our big thanks to the Friends of Muthurangam Arts College, Vellore for celebrating the Independence Day with our home children for the past 2 years. The gifts of stationary items were very useful to our children.

We convey our gratitude to the Headmaster of the DeValois Higher Secondary School at Kasam, the Principal of VRV Girls Higher Secondary School at Ranipet for their continued support in providing school admissions to our home children.

We also extend our heartfelt thanks to all administrators, doctors and staff members of CMC Hospital and SIH-R&LC hospital for giving medical attention and also for taking care of our children.

CONCLUSION

In closing as always I am concerned about the future leadership of this Institution. I would urge the Pastorate committee of the St. John's Church and the members of the meeting to prayerfully look for a suitable person who can take over from me my responsibilities. I am very grateful for the confidence and trust placed in me for the last 21` years but in the best interests of the Institution it is time for a new person to be groomed to take over the responsibilities from me.

The MBKG Pannai home and the King’s school is privileged to have a team of dedicated and hardworking staff and teachers efficiently led by Mr. Y. Kirubahara Daniel, the deputy director of MBKG Pannai, Mrs. Vatsala, the Principal and Mrs. Ratna Chandran the Superintendent of homes. I salute each one of them for their support, and to the entire team at the home and school for their co-operation and hard work which has seen us through another year successfully.

THARYAN K. KOSHI
HONORARY SECRETARY
