

Connecting with the world through a

child

The Global Ministries Child Sponsorship Program is committed to aiding children at risk by providing a practical way for individuals and churches to extend a helping hand. Since the 1950s, this global ministry has been working to safeguard the future of children around the world. A commitment to sponsoring a child helps to provide housing, clothing, food, education, and basic health care until age eighteen.

The Global Ministries Child Sponsorship Program is a partnership between Global Ministries and the various participating centers around the world. Your donations help the partnering institutions provide services to sponsored and unsponsored children. Support of sponsored children is provided in ways that will not set them apart from their siblings, other children or their classmates.

frequently asked questions

What do I do to sponsor a child?

Send in your commitment with a check or electronic payment option selected on the gift commitment form inside. Please indicate the center or country of your choice, or let us choose the child for you. If a child is not currently available from a center selected, we will offer you a child from another center. Payments begin the same month the child is assigned.

Who are the children in the program?

The children are generally refugees or from low income families and have often been orphaned or abandoned. They may be Family Court referrals. They range in age from two to eighteen. A child is eligible for sponsorship until they are 18 years old. Children leaving a participating center are no longer eligible for Global Ministries sponsorship.

Will I receive information about a specific child?

Yes. A brief biography and photo of your child, with a cover letter, will be sent to you by the Child Sponsorship Office. Please consider your sponsored child as an extended family member or a godchild. Please contact the Child Sponsorship Office if you wish to discontinue your sponsorship so we can identify another sponsor. No child is ever dropped or refused services at the centers.

How much does it cost to sponsor a child?

The cost of sponsoring a child varies from center to center according to the services provided and the cost of living in that country. The lowest amount is \$25 per month, and the highest is \$30 per month.

How much of my payment will be used for administrative expenses?

100% of your designated gifts go to the children and centers. The generous gifts of local congregations to the Disciple Mission Fund and Week of Compassion of the Christian Church (Disciples of Christ) and Our Church's Wider Mission of the United Church of Christ underwrite administrative costs of the Child Sponsorship Program.

Please consider a thirteenth month donation to help cover the administrative cost of the program.

How does my child benefit from the money I provide?

Your support helps provide a child with adequate food, clothing, healthcare and, sometimes, housing. In the case of a school age child, your support may also help to pay school fees or buy uniforms and books.

How do I pay and will I receive receipts?

Please make your check payable to Wider Church Ministries earmarked for the Global Ministries Child Sponsorship Program. Other options include Electronic Funds Transfer (EFT) and credit card deductions. Each time you send in a check, we will mail you a receipt and an invoice for your next gift. For tax records, electronic payments will receive an annual statement in January for the prior year's gifts.

May I write to my sponsored child?

Yes you may! Your child will love to hear from you. If the child is old enough to write or draw, he or she will answer your letters. The center will translate as needed. If the child is too young or disabled to write, the administrators will write and keep you informed of your child's progress. It is our hope that you will receive at least two letters and/or progress reports per year from your child. Mail services to and from countries may be extremely slow. Please be patient or contact the Child Sponsorship Office and we will try to get information for you.

May I send my child gifts?

All our centers and the Child Sponsorship Office share the concern that special gifts for individual children may create distinctions and alienate other children who don't have sponsors. You can contact the Child Sponsorship Office to discuss special gift options for your child.

We suggest:

- (a) sending a small financial gift through the Global Ministries Child Sponsorship Office for the child or a general donation to benefit a larger group of children;
- (b) sending a modest gift such as balls, dolls, t-shirts or school supplies such as crayons, pencils, or paper that can be used by many of the center's children. These gifts should be sent directly to the center.

let mutual
love continue

Do not neglect to show hospitality to strangers, for by doing that some have entertained angels without knowing it.
