Global Ministries welcomes churches to consider prayerfully the idea of taking a journey to meet our partners in person. A mission pilgrimage is a transforming experience through which participants share themselves and receive God’s love in a new way. Participants take common steps of faith in walking with our partners, sharing their joys, understanding their challenges and experiencing their unique connection to our wider church.

It is through the People-to-People Pilgrimage Program that your local church can connect with our partners and share with them their work and witness.

Through People-to-People pilgrimages you will explore the possibilities that would best match the gifts of your church group. Global Ministries offers orientation materials to help your group prepare for the cross-cultural experience, and group networking with other congregations, regions, and conferences that have undertaken similar pilgrimages.

In mutuality, we walk humbly toward the future of God’s work by walking together sharing our lives, hopes, struggles and faith.
