

Return from Easter

(photo of communion table)

The staff of the General Secretariat returned from its Easter break which lasted one week.

This return was marked by worship with Holy Communion led by the Community President in person, who served the staff positioned in a circle around the Lord's table.

But before that, the Community President, Rev. Eliki Bonanga, urged the staff of the General Secretariat of the CDCC to uphold virtues throughout the year 2012. He drew his text from Psalm 37, which highlights the attitude of the righteous and the wicked. He recommended that the staff behave as the just, for the support of the Lord is for the righteous, as well as the punishment for the wicked goes from generation to generation.

Obituary

This morning at 2:00 Universal Time, or 3:00, Mbandaka time, Mrs. Della Ntedji Mbombo, wife of the Rev. Dr. Mpombo Lokofe, former President of Community of Disciples of DR Congo, passed away in Belgium as a result of an illness that had kept her in bed for some months.

Mama Della, as Congo Disciples like to call her affectionately, was the companion of Benji Mpombo since he was still a student at Congo Christian Institute in Bolenge. She accompanied him throughout his life and only today it pleased the Lord to separate them.

Mama Della leaves an important witness in her church, a witness of fidelity, humility and generosity of spirit. May her soul rest in peace.
