

Dear Colleague

Important Notice: Fill in this form to discover if you're owed a tax refund

Without knowing, you could have paid too much tax in the last 4 years.

18,424 Yorkshire & North Derbyshire Region members have filled in the refund claim form on the back of this letter. As a result, HM Revenue has paid out tax refunds worth **£555,960**, with plenty more to come. **The average refund is £184.09 each.**

Since 2007, the UK's *leading* tax refund specialists, The Tax Refund Company, has offered our members a **FREE** tax code review to see if they have paid too much tax. As you can see, it's been very successful.

Few members thought they would get a refund before using the service. They just assumed their employer had taken the correct amount via PAYE. When a cheque arrives in the post months later, most are very surprised.

Bearing in mind how successful the service has been so far, if you've *not* filled your claim form yet, you should ***strongly*** consider doing so.

The main points to note are:

- **The service will find out if you're due a tax refund**
- **If you don't get a refund – the service is FREE OF CHARGE**
- **For every £1 refunded, you keep 61p**
- **ALL future savings you get through a new tax code are yours to keep in full**
- **You can't lose - NO tax refund = NO fee**
- **If the Tax Refund Company thinks you have underpaid tax, they will ONLY tell you, not HM Revenue**

To see if you're one of the thousands of members due a refund, complete the form on the back of this letter and send it to the **FREEPOST** address at the bottom of the form *as soon as possible*.

This is your hard earned money. Why let The Revenue keep it!

Yours faithfully
