## **Polling Day**

As you all know, Polling Day is on **Thursday May 7th**. Blink and it will be upon us!

A vital part of our campaign will be our operation on the day. There will be more details about this in later emails, but in short, we need you! Whatever your abilities or time we will have something for you to do which will help us get the vote out on May 7th. Your time on the day will make a difference! If you need to book time off work etc, please do so.

Let us know if you are available so we have a rough idea of how many volunteers we will have, as this will also dictate our plan for the day.

And as always if you can help out in any other way, please let us know.

Kindest regards,

**Dathan Tedesco**
