COMPELLING INDIVIDUALS TO WORK WEEKENDS

Dear ASDA Members

At the National Forum recently the GMB representatives have again raised the issue of individuals being forced to work weekends, even when contractually they are not obliged to do so.

The Company has assured us that they will be doing a rigorous review of rostering arrangements. ASDA believe shortcomings in planning and rostering may mean managers are putting pressure on individuals to work weekends. We trust the Union will be involved in the review.
