REFERENDUM ON NATIONAL COLLECTIVE BARGAINING

Dear Colleagues

As I advised members of the NJC at last week's meeting, our members voted in big numbers by a margin of 98% in favour of national collective bargaining. This is a massive endorsement of the NJC Trade Union Side's position.

It is our intention to submit a national pay claim next year. We will be formally requesting talks with the Company in the New Year regarding how we structure national pay bargaining.

Thank you to all those who participated in and supported the referendum process
