

## **GMB @ WILKINSON**

**NEWSLETTER – FEBRUARY 2014**

**You may be aware that following GMB negotiations for the past 18-24 months, the company have agreed to increase some team members contracts, subject to criteria. You will be hearing very shortly if you are one of those team members.**

**Following a recent brief issued by the company that they will be removing our morning drink due to it not being part of current policy, please make your local GMB representative aware of whether you want to accept this or if you would like to make your objection formal. We will await your feedback before deciding how we move forward.**

**Please continue to fill in hazard/near miss forms where appropriate. These are invaluable to GMB and Wilkinson, and should prevent further occurrences.**

Our branch has limited funds available for sponsorship/donation. For details on how to request this, please speak to your local representative in the first instance, or if they are unavailable contact Phil Rawson or Lee Marsden on extension 1589.

Please remember that if you should move house or change your contract, that you must inform the GMB as well as the company. Should you not be paying the correct subscriptions, then you may not receive the full benefits you are entitled to. If you fall in or out of one of the following grades, you should inform your local representative as soon as possible: 1-9 hours, 10-20 hours, 21+ hours. Change of address & change of subscription forms are available from your rep. Should you wish to be added to the GMB mailing list, please give your email address to your rep.
