

GMB @ WILKINSONS – NEWSLETTER – FEBRUARY 2013

Elsewhere on the notice board, is the latest on the pay negotiations. The Board met on 13th February to consider our arguments, and have now requested a further meeting with GMB to discuss some options. As always, we will keep you up to date with developments and any decision regarding any potential offer would be made by the membership.

A team member recently used our legal partners Thompsons to make a personal injury claim following a road traffic accident. Following challenges from Thompsons and some poor offers from the insurers responsible, the team member walked away with a settlement of £30,000.

Our branch has limited funds available for sponsorship/donation. For details on how to request this, please speak to Philip Rawson or Lee Marsden on extension 1589 or speak to your local representative.

Please remember that if you should move house or change your contract, that you must inform the GMB as well as the company. Should you not be paying the correct subscriptions, then you may not receive the full benefits you are entitled to. If you fall in or out of one of the following grades, you should inform your local representative as soon as possible: 1-10 hours, 11-20 hours, 21+ hours. Change of address & change of subscription forms are available from your rep.
