

GMB @ WILKINSONS – NEWSLETTER – AUGUST 2012

We would like to thank and welcome all new members and recruiting members from the recent prize draw promotion. We processed 55 new members through the course of the promotion, so well done to all. The winners have been notified and details are on the accompanying notice.

Many members over the past number of months have expressed concerns about the layout of the wageslip, particularly with regard to 'in lieu' days, resulting from working a bank holiday. We are pleased to inform you that the wageslip is in the process of being redesigned and we have been consulted and put our points across on your behalf.

The GMB are now endorsing Thorne Credit Union. They offer an easy way to save, along with low-cost loans for all GMB members. For any further information please go to www.thornecreditunion.com

We are making a concerted effort to improve communication between the GMB and its members. As a result, we have agreed to trial a new system whereby we will e-mail any important communications directly to each member as well as displaying on the notice boards. If this is something you wish to help us with, please take one of the slips below and pass on to your local representative, or place in the internal mail addressed to the union office.

Please remember that if you should move house, or change your contract, that you must inform the GMB as well as the company. Change of address and change of subscription forms are available from your local representative.

If you have any issues which you feel we need to be aware of, or you require assistance, please tell us. We cannot help if we are unaware.
