

GMB @ WILKINSONS – NEWSLETTER – JULY 2012

We have had a lot of team members approach us with reference to the recent brief regarding this year's pay negotiations. Obviously we are as disappointed as anyone with this news, but the company have agreed to speak with us again later in the year. Please be assured that this is only a deferral and in no way is an end to this year's negotiations.

We are fully supporting and endorsing the current 'Albi' health & safety campaign across the DC. We welcome the campaign and thank the company for involving us throughout. For team members, what this does is empower you to challenge ANYONE if you believe they are not following health & safety regulations. On a sidenote, we cannot stress enough how invaluable hazard/near miss forms are to us. It is much easier for us to challenge management with written reports.

There are a lot of contract changes occurring across the DC at the moment. Please remember to change your union subscriptions if you move in or out of one of the following groups: 1-10 hours, 11-20 hours, 21+ hours. Also, should you change your address, please inform us as well as the company. Change of address and change of union subscription forms are available from your local representative.

If you have any issues which you feel we need to be aware of, or you require assistance, please tell us. We cannot help if we are unaware.

CONTACT THE UNION OFFICE ON 01909 505589 (EXT. 1589)
