
Pay Update

Dear Colleagues

Members should be aware that your GMB negotiating Shop Stewards have a meeting planned for January 16th to discuss the position on pay.

As you may have seen GMB has been pressing the company to revise their position on pay and make some offer to our members to recognise all their efforts in what are no doubt difficult times.

We will now have the benefit of knowing how well the company did over the Christmas period. Hopefully the company will feel that the time is right to move on pay.

Members will be advised of developments.

Yours sincerely,

GARY SMITH
GMB National Secretary
