AUDITORS' REPORT

To the Members of Friends of the Greenbelt Foundation

We have audited the statement of financial position of Friends of the Greenbelt Foundation as at March 31, 2010 and the statements of revenue and expenditures and changes in fund balance and cash flows for the year then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Foundation as at March 31, 2010 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

FRIENDS OF THE GREENBELT FOUNDATION

Notes to Financial Statements

Year ended March 31, 2010

The Friends of the Greenbelt Foundation (the "Foundation") was incorporated without share capital on March 29, 2005. The Foundation's mission is to nurture and support activities that preserve and enhance the Greenbelt's agricultural, rural and ecological integrity. Public awareness and appreciation of the Greenbelt is also an important element of the Foundation's work. The Foundation is registered as a public foundation under the Income Tax Act (Canada) and, accordingly, is exempt from income taxes, provided certain requirements of the Income Tax Act (Canada) are met.

A contribution of \$25,000,000 was received from the provincial government in order to enable the Foundation to carry out its charitable and public initiatives. The Foundation decided to grant its contribution over a period of five years, with grants commencing in fiscal 2006/2007. In April 2010, a decision was made to extend the period to March 31, 2012.

1. Significant accounting policies:

These financial statements have been prepared by management in accordance with Canadian generally accepted accounting principles.

(a) Revenue recognition:

Investment income is recorded on an accrual basis and includes interest income.

(b) Cash and cash equivalents:

Cash and cash equivalents include cash on account and investments in money market instruments and term deposits with original maturities of less than 90 days at the date of acquisition.

(c) Investments:

The Foundation has adopted The Canadian Institute of Chartered Accountants' ("CICA") Handbook Section 3855, Financial Instruments - Recognition and Measurement, Section 3861, Financial Instruments - Disclosure and Presentation ("Section 3861"), and Section 3865, Hedges.

In accordance with these standards, investments are classified as held-for-trading and carried at market value.

Term deposits maturing within a year are stated at cost, which together with accrued interest income, approximates fair value given the short-term nature of these investments.

Notes to Financial Statements (continued)

Year ended March 31, 2010

1. Significant accounting policies (continued):

(d) Capital assets:

Capital assets are stated at cost. All assets over \$1,000 are capitalized. Amortization is provided on a straight-line basis as follows:

Computer equipment	3 years
Furniture and fixtures	5 years
Office equipment	5 years
Vehicles	3 years
Leasehold improvements	Term of lease

(e) Allocation of expenditures:

The Foundation does not classify expenditures by function on the statement of revenue and expenditures and changes in fund balance. The Foundation does not allocate expenses between functions on the statement of revenue and expenditures and changes in fund balance.

(f) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenditures during the year. Actual results could differ from those estimates.

2. Adoption of new accounting standards:

(a) Amendments to Accounting Standards that apply to Not-For-Profit Organizations:

- (i) Effective April 1, 2009, the Foundation adopted amendments to the 4400 Sections of the CICA Handbook. These amendments eliminate the requirement to show net assets invested in capital assets as a separate component of net assets, clarify the requirement for revenue and expenses to be presented on a gross basis when the not-for-profit organization is acting as principal and require a statement of cash flows. Adoption of these recommendations had no significant impact on the financial statements for the year ended March 31, 2010, with the exception of the addition of a statement of cash flows.
- (ii) Effective April 1, 2009, the Foundation adopted the CICA Handbook Section 4470, Disclosure of Allocated Expenses by Not-for-Profit Organizations, which establishes disclosure standards for entities that choose to classify their expenses by function and allocate expenses from one function to another. Adoption of these recommendations had no effect on the financial statements for the year ended March 31, 2010.

(b) Amendments to Section 1000, Financial Statement Concepts ("Section 1000"):

Effective April 1, 2009, the Foundation adopted amendments to Section 1000 of the CICA Handbook. These amendments clarify the criteria for recognition of an asset or liability, removing the ability to recognize assets or liabilities solely on the basis of matching of revenue and expense items. Adoption of these recommendations had no effect on the financial statements for the year ended March 31, 2010.

3. Investments:

	2010		2009	
	Book value	Market value	Book value	Market value
Short-term investments	\$ 5,000,000	\$ 5,000,000	\$ 9,000,000	\$ 9,000,000

Short-term investments include term deposits with an interest rate ranging from 1.35% to 1.50% and maturing on December 3, 2010 (2009 - 3.25% to 3.95% and maturing on November 19, 2009 and December 26, 2009).
