

# Dimension Suggestions for Website Images

## Slider

1490 x 580 pixels

## Featured

326 x 300 pixels

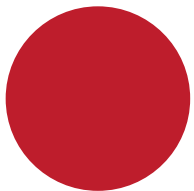

## Article Rectangle

*(suggestion, not mandatory)*

435 x 300 pixels

## Article Square

600 x 600 px OR 1000 x 1000 px

## Headshot

90 x 90 px

These sizes are for our NationBuilder website, as designed by cStreet, relevant as of April 14, 2014.

**Note:** Some of these sizings are suggestions.

NationBuilder will automatically resize large images, however keeping them within the defined parameters keeps things from stretching or acting oddly.

## Research Report Cover

165 x 214 pixels

## Half Article

*(suggestion, not mandatory)*

175 x 310 pixels
