HAND DELIVERED

July 31, 2013

The Honorable Annise Parker
Mayor of Houston
901 Bagby Street
Houston, TX 77002

Dear Mayor Parker,

I am writing to propose that you and I share our contrasting ideas and vision for the future of this great city through a series of debates.

Three debates should be held after Labor Day but prior to the start of early voting and three additional debates after the start of early voting and before our November election. Too much is at stake for us not to share our plans for Houston with her citizens, and I hope you agree promptly to debating six times this fall.

I have instructed my staff to contact your campaign staff to begin discussions on the details.

Please accept this invitation.

Sincerely,

Ben Hall
