

Hearst Elementary

Ms. Barron's second-graders are publishing a book titled "H is for Hearst." Our book is an A-to-Z book that is all about Hearst. Our class/Club 210/Room 210 book will be available for sale on Amazon.com starting in late April 2014. Five special-edition autographed copies will be auctioned off at the Austrian Embassy on April 25 during our annual Hearst "Raise the Roof" fundraiser. Our book will be fun to read because it will contain fun Hearst facts and capture the fun experiences we have in Club/Room 210. This book will entertain readers with pictures of everyone from our class. We hope readers will appreciate the hard work we put into publishing this book. A cool fact about our book is that it features different elements of the Hearst community. This is the best class in the whole world!
