

A Green New Deal for New York

**End the Drug War**  
Legalize marijuana. Free the prisoners.

**VOTE**  
FOR  
**HOWIE**

**HAWKINS**  
**GOVERNOR • GREEN PARTY**

**Living Wages for All Workers**  
\$15 minimum wage.

**Single Payer Health Care**  
Publicly funded by progressive taxes.  
No premiums, co-pays, or deductibles.

**Public Jobs for the Unemployed**  
A locally planned, state funded WPA-style jobs program to employ unused labor to meet community needs in public works and services.

**Quality Public Schools**  
Opt out of high stakes testing, Common Core, privatization, and union-busting. Opt into fully funded, desegregated schools, tuition-free from pre-K through college.

**End the "War on Drugs"**  
Relegalize, regulate, and tax drugs, starting with marijuana. End prohibition. Treat drug abuse as a health problem, not a criminal problem. Drug treatment on demand, not mass incarceration.

Create a Truth, Justice, and Reconciliation Commission to examine the damages and recommend reparations for the War on Drugs, particularly on communities of color.

**100% Clean Energy by 2030**  
Ban fracking. Phase out nukes. No new fossil fuel infrastructure. A state bank and public power for job creation in green industries, including a Smart Grid linking Renewable Energy, Hydrogen Energy Storage, Mass Transit, Affordable Housing, Clean Manufacturing, and Organic Agriculture.

The Green Party takes no corporate money. Volunteer and donate at [www.howiehawkins.org](http://www.howiehawkins.org)
