Special Presentation by DONE General Manager BongHwan Kim

Mr. Kim touched on several topics:

- Elections decision delayed; waiting for City Council to pass ordinance enabling funding of \$650,000 for N.C. elections for FY 2013. This will allow for back-office support.
- Mayor’s Budget due on April 20, where ordinance will be voted upon
- Individual N.C.’s can encumber funds from this year’s allocation, and are encouraged to do so for outreach, signage, social media, etc. Submit Demand Warrant by May 16.
- DONE has never had a marketing budget; Empower L.A. is a project of civic engagement. It’s hoped that a citywide outreach effort will be launched to explain what the N.C.’s are about.
- City predicts at least \$150 million deficit in budget; likely a modest cut to NC funding program; G.M.’s were asked to submit budgets with 6 and 12% cuts.
- Suggests schedule visit from LAFD; can assign a fire station to our NC.
- Soonest date for elections would be September

Question: What will happen to encumbered funds if City Council doesn’t move forward on elections? He will do his best to honor... “enabling ordinances” will need to be passed from LA City Council by end of April in order to meet September date.

Mr. Kim thanked HSDNC for its efforts; City Council does pay attention to the NC's.

9. **Treasurer Report:** approximately \$36,000 left which needs to be allocated
8. **Board member vacancies,** applications: Jirair Toussounian (in attendance), Laurie Goldman, (not present), Jose Tores (unable to attend; Tom spoke to him this morning).
