

Idle No More Alberta

Presents:

Our Water Is Not For Sale Rally & March

The Alberta Government is currently working on a policy to put our water up for sale to the highest bidder. Water is not a commodity, it is not to be sold, and no one owns the water, we are all given it for life.

When: 24 May 2013
Time: 10:30-2pm

Canada Place, down Jasper to the Ledge.
