THOMAS RAYMOND CONLON
CERTIFIED PUBLIC ACCOUNTANT

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Jubilee USA Network
Center for New Creation
Washington, DC

I have audited the accompanying statement of financial position of the Jubilee USA Network as of November 30, 2005, and the related statements of activities, and cash flows for the year then ended. The financial statements are the responsibility of management. My responsibility is to express an opinion on the financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Jubilee USA Network as of November 30, 2005, and the change in net assets and cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Thomas Raymond Conlon

JUBILEE USA NETWORK
Notes To Financial Statements

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization:

The Jubilee USA Network is a project authorized under the Center for New Creation. The Center for New Creation is exempt from federal income taxes under section 501(a) of the Internal Revenue Code, as an organization described in section 501(c)(3).

Significant accounting policies are as follows:

Fiscal Year:

The organization's fiscal year reporting period is December 1 through November 30.

Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect: (1) the reported amounts of assets and liabilities at the date of the financial statements; and (2) the reported amounts of revenues and expenses during the reporting period.

Basis of Accounting:

The financial statements have been prepared on the accrual basis of accounting, and in accordance with the Statement of Financial Accounting Standard (SFAS) No. 117.

According to these provisions, net assets, as well as revenue and expenses, are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the organization and changes therein are classified and reported as follows:

Unrestricted net assets: The balance represents net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets: Net assets subject to donor-imposed restrictions that may or will be met, either by actions of the Fund and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Grants received during the year with restrictions for use, which are expended during the year received, are considered unrestricted grants.

JUBILEE USA NETWORK
Notes To Financial Statements

Promises to Give:

Contributions and grants are recognized when the donor makes a promise to give to the organization that is, in substance, unconditional. Grants and donations are considered to be available for unrestricted use unless specifically restricted by the contributor.

Income Taxes:

The Jubilee USA Network is a project authorized under the Center for New Creation. The Center for New Creation is exempt from federal income taxes under section 501(a) of the Internal Revenue Code, as an organization described in section 501(c)(3). The Jubilee USA Network requested tax-exempt status from the Internal Revenue Service. In 2006, the Jubilee USA Network was notified, by the Internal Revenue Service, that it was granted tax-exempt status.

Property and Equipment:

The organization's property and equipment, which consist of computers, telephones, and copier, are carried at cost. Depreciation is provided for the property and equipment, using the straight-line method over their useful lives.

Educational and Informational Material:

The cost of educational and informational material, such as educational packets, informational brochures and other items have been capitalized and then expensed over the estimated life of the assets.

Prior Period Adjustment:

The beginning fund balance at December 1, 2004 was increased by \$657, based on an adjustment that decreased payable amounts at that time.
