

DEBT COSTS:

LIVES. HEALTH. EDUCATION. HOPE.

Millions of people, communities, and organizations have joined the **Jubilee USA Network** and the international Jubilee movement to work for real solutions to the international debt crisis. The global campaign has leveraged over \$100 billion in debt cancellation for impoverished nations.

DEBT RELIEF HAS:

More than doubled school enrollment in Uganda

Built 31,825 classrooms and increased the number of primary schools from 11,608 in 2000 to 12,689 in 2003 in Tanzania

Vaccinated half a million children against deadly and preventable diseases in Mozambique

Provided resources for the fight against HIV/AIDS in countries like Mali, Senegal, Uganda, and Cameroon

**MUCH REMAINS TO BE DONE
AS HUNDREDS OF MILLIONS HAVE BEEN
PUSHED INTO POVERTY DUE TO THE
GLOBAL ECONOMIC CRISIS**
