

Congratulations to our new District Chairs! We are confident that North Carolina's Congressional Districts will be served well under their new local leadership. As of Saturday, April 29th, all District Conventions have convened after many hard spent hours of electing a new Executive Board and adopting Resolutions. We thank every one of you who helped to make all of the conventions run seamlessly. The newly elected District Chairs are now part of our NCGOP State Executive Committee—a group that helps us to make decisions concerning the State Party, which extends to our County Parties. The list of District Chairs can be seen below, and we will update it with contact information as soon as we receive it.
