“Breaking the Glass Ceiling”

with NWPC on November 15th from 6-9 PM

Even though women make up more than 50% of our state's population, the number of women in elected office is on the decline, down to 26%, and out of the 400 largest companies in California, only 16 are currently led by women.

We can do better!

The first step is to honor and celebrate women who have already broken the glass ceiling and encourage more women to do the same. Come and meet our 2013 “Breaking the Glass Ceiling” Honorees on November 15th.

Join NWPC OC & NWPC CA at Sherri and Gary Loveland's beautiful estate in Tustin Ranch as we celebrate accomplished women in politics and business who have broken through the ‘glass ceiling’.
