

Thank you to Peggy's Gourmet for catering!

Peggy's Gourmet was founded in 2015. The name and idea is dedicated to my late grandmother who took the role as my mother. With this concept and idea she will forever be loved and remembered. Peggy's Gourmet can and will cater any event, outside or inside, wedding or birthday party. We also provide the option for a personal and private chef. Recently, we just opened the opportunity for you to learn how to cook your favorite meal right in your home with hands-on training. Peggy's Gourmet Executive Chef and Owner Kevin Robinson "Chef Reek" (given by my Grandma) is a Native of Washington, DC, where he learned the culinary craft and studied under Chef Bobby Vickers and Chef James Martin. Chef Reek has learned many cultural backgrounds to ensure a great culinary experience no matter what country you're from. Cooking is a passion and an obligation.
