ISSUE POSITIONS

Economic Justice

Do you support or oppose efforts at the state or local level to make public benefits such as Medicaid, SNAP, childcare subsidies, and Unemployment Insurance more accessible to more people?

Support Oppose

Comments on Economic Justice Section (If your comment is in response to a specific question, please refer to the question by its number):

Justice in the Workplace

Do you support or oppose policies to protect the rights of immigrants in the workplace?

Support Oppose

Do you support or oppose policies to establish a 'living wage' designed to ensure low wage workers and their families can live above the poverty level?

Support Oppose

Do you support or oppose policies to guarantee pay equity for women who perform similar jobs and have similar skills and experience as their male co-counterparts?

Support Oppose

Comments on Workplace Justice Section (If your comment is in response to a specific question, please refer to the question by its number):

Human Rights

Do you support or oppose policies to prohibit discrimination against people based on, regardless of race, ethnicity, age, religion, gender, sexual orientation, appearance, language, immigration status, and physical and mental ability in such areas as employment, housing, public accommodations and transportation?

Support Oppose

Do you support or oppose policies to allow prosecution of hate crimes (crimes that carry additional penalties if committed against people based on race, ethnicity, age, religion, gender, sexual orientation, appearance, language, immigration status, and physical and mental ability)?

Support Oppose

Comments on Human Rights Section (If your comment is in response to a specific question, please refer to the question by its number):

Democracy

Do you support statewide voting standards making fundamental reforms to our electoral system including modernizing voting equipment, developing consistent, voter-friendly ballots and exploring initiatives that ensure fuller representation such as Election Day registration, majority voting (instant runoff voting) and Internet voting?

Support Oppose

Comments on Democracy Section (If your comment is in response to a specific question, please refer to the question by its number):

Education

Do you support or oppose policies and investments to provide the basics to every student (e.g., programs to reduce class size, ensure students and teachers have adequate resources and materials, provide teacher training, supply education technology, and promote safe and drug-free schools, and support school maintenance and development)?

Support Oppose

Do you support or oppose policies to provide universal, high quality, and voluntary access to preschool education for those who want it?

Support Oppose

Do you support or oppose funding and policies that make college more affordable and accessible for students?

Support Oppose

Comments on Education Section (If your comment is in response to a specific question, please refer to the question by its number):

Health Care

Do you support or oppose laws like the Affordable Care Act, including other policies that provide reliable, comprehensive, affordable universal access to health care?

Support Oppose

Do you support or oppose policies that will strengthen Medicare for senior citizens and expand Medicaid for low income families?

Support Oppose

Do you support or oppose laws that leave complex, personal decisions about abortion to women?

Support Oppose

Comments on Health Care Section (If your comment is in response to a specific question, please refer to the question by its number):

Environment & Smart Growth

Do you support the use of mechanisms such as Community Benefits Agreements between community groups and developers to help ensure that development is done responsibly and with community input?

Support Oppose

Comments on Environment & Smart Growth Section (If your comment is in response to a specific question, please refer to the question by its number):

CERTIFICATION

I certify that the information provided in this document is a true and accurate reflection of my positions and beliefs.
