SPRING BREAK TRIP TO ITALY 2016

THE CHAPIN SCHOOL

IN PARTNERSHIP WITH

THE PAIDEIA INSTITUTE

ABOUT THE PAIDEIA INSTITUTE

The Paideia Institute for Humanistic Study, Inc. is a non-profit organization whose mission is to promote the study of the classical humanities through innovative, experienced-based educational programming in the U.S. and abroad. Founded in 2010, the Institute currently attracts talented and motivated students across America to its Living Latin and Greek summer programs. Additionally, the Institute partners with high schools and universities to design customized educational experiences in Italy, Greece, and elsewhere in Western Europe. Paideia staff members all have advanced degrees in Classics or related fields and extensive experience in the countries where we operate.

The Paideia Institute is committed to providing American students with authentic experiences abroad. We strive to surpass the ordinary study-abroad experience and put students into supervised but direct contact with the cultures they visit, both ancient and modern. The goal of all of our programs is to provide experiences that integrate history, literature, and language with the students' direct experience of foreign cultures. Paideia students can be found declaiming Cicero in the Roman Forum or reading Pliny the Younger in the ruins of Pompeii. We take a personal interest in every student we teach and are committed to showing them how a subtle appreciation of the humanities can make their lives fuller and richer.

PROGRAM STAFF

This **low support** package management all of the logistics of your trip so you can concentrate on teaching. One of the Institute's directors will be assigned to your group and will be on call 24/7 in case of emergencies, and will visit periodically throughout the program to check in and participate.
