Article VIII. Election of Officers and the Board

Section 8.01 Qualifications for Office: Officers and Board members, in order to be selected, must be members in good standing for at least 90 days prior to their election. Members appointed to fill vacant positions on the Board must be in good standing for at least 30 days prior to their appointment.

Section 8.02 Nominating Process

- (a) Officers and Board members may be nominated by the Nominating Committee, by petition of 10 members in good standing or from the floor at the election meeting.
- (b) If the President has served for two or more consecutive years and the Nominating Committee wishes to recommend another year of service in that office then the Nominating Committee shall certify to the Board that (a) the person is willing and able to serve for another year; and (b) the Committee has sought other candidates for the office without success. The provisions for nominations to the office of President also apply to the office of Treasurer.

Section 8.03 Election

- (a) The election shall be held at the February membership meeting.
- (b) The Nominating Committee shall be responsible for tallying the votes. Officers and Board members declared elected shall assume their respective duties on March 1 of that year.

This ballot will contain the names of all persons nominated by the Nominating Committee and by petition, and shall include twice as many spaces for write-in votes as there are positions to be filled. Instructions for marking the ballots shall also be included.
- (c) To preserve the secrecy of the ballots, the instructions for mailed ballots shall direct the member to seal his or her marked ballot in a plain white envelope. The member should make no markings on this envelope. This envelope shall then be placed in a second envelope, and the member shall both print and sign her or his name on this outer envelope, which shall be mailed or otherwise delivered to the Coalition as provided in the instructions accompanying the ballot. The outer envelopes shall be checked against the membership rolls before they are opened; and the inner envelopes shall be separated from the outer envelopes before the inner envelopes are opened.

Section 8.05 Recall

(a) A recall election can be called for by either two-fifths (2/5) of the Board or by a petition of ten per cent (10%) of the membership. The membership shall be notified at least 20 days prior to the date of the recall election. Such notification shall include a proponent statement from the proponent(s) of the recall and a rebuttal statement from the person being recalled. The rebuttal statement must be delivered to the President at least 23 days prior to the election.

(b) The ballot for the recall election shall appear as follows:
Shall <name of officer> be recalled? ___ Yes ___ No

Such meeting shall be held no later than thirty days from the date the written petition is received. At such meeting, the disputed actions of the Board shall be considered, debated, and affirmed or denied by the majority vote of those members present and voting. The decision reached shall be final and binding until the election of the next Board.

Section 11.03 Non Partisan Offices: The Board may endorse any Democratic candidate(s) for non_partisan office by a 2/3 vote of the entire Board.

Section 11.04 Ballot Propositions and Local Measures: An official endorsement, either for or against, a ballot proposition or policy question can be made by the Board at a regularly scheduled meeting or at a special meeting with the following procedure:

(a) The President must notify Board members at least 10 days in advance of the meeting that one or more endorsements are on the agenda; the notice must indicate what endorsements are sought.

(b) There will be two votes taken at the Board meeting; both by open ballot. At the first vote the Chair of the meeting will ask for a count of those in favor and those opposed to the measure on which an endorsement is sought. If there is a majority either for or against the measure the second vote counts the votes for and against the question: Shall the PDC officially endorse the position just taken by a majority?

(c) An official PDC endorsement shall be contingent on receipt of "yes" votes on the endorsement question by 55% of the total board membership or 75% of the Board members voting, whichever number is greater.

(d) Official endorsements may be used publicly by the proponents or opponents of the issue. The vote count for and against the issue may be publicized in the PDC Newsletter.

Section 11.05 Democratic Party Offices: The Board may endorse any candidate(s) for Democratic Party office by a 2/3 vote of the entire Board.

Article XII. Amendments

Section 12.01 Amendments to the bylaws by substitution, addition or repeal shall be made in the following manner: The proposed amendment shall be submitted to a regular meeting of the Board; it shall be in writing and signed by ten percent of the members or fifteen members, whichever is less. The Board shall study all amendments so submitted and shall issue a recommendation within fifteen days of submission. Within thirty days of the date the recommendation is issued, the membership will be sent a copy of the amendment, the recommendation, and notice of a meeting at which the amendment will be considered. This membership meeting will be held not less than seven nor more than thirty days following the mailing to the membership.

Section 12.02 When submitted and considered in accordance with the procedure herein set forth, amendments to the bylaws shall be adopted or rejected by a majority of votes cast, and shall take effect immediately unless otherwise stated in the amendment.
